# Headteacher's Message

What a fantastic week we had last week, celebrating the wonder of reading. It was lovely to see everyone looking cosy in their PJ's, onesies and snuggly blankets during World Book Week – I think the teachers enjoyed wearing their slippers and pyjama's for school too!

Thank you to all the parents and carers who were able to join their children to read last Friday for the “share a book and activity session”, I hope you enjoyed this event as much as the children did. It was great to see so many characters from different books walking around our school too!

The Author Sarah Oliver came to visit our children last week to share her experience and expertise on writing picture books and biographies. Sarah also set up a workshop for the children, setting them some writing challenges to complete. I think we may have some budding authors in the making.....watch out J K Rowling!

Well done to everyone who took part in the Science Fair today, each year the entries just get better and better! Thank you to our judges for helping to choose our winners, these will be announced on Monday 17<sup>th</sup> March.

Our year 5 and Year 6 football teams played brilliantly on Monday at Fishermore High School, you all showed great team spirit. Well done!

May I politely ask those parents and carers who have been given permission to use the carpark to leave the carpark as promptly as possible once their child has been dropped off or collected, as we have members of staff who need to leave the premises without being delayed. Thank you.

Please don't hesitate to contact me or the school office if you have any concerns at all, our door is always open.

Kind regards  
Mrs L Stinchon

# Thank you!

## THANK YOU!

- Thank you very much to Denise Pinder for kindly donating their lottery winnings back to school
