Spring Term Magic Show

Covid can't stop us and we've even enjoyed a live online Magic Show in 2021!

Funded by PTFA funds, Magic Gareth, Edinburgh magician, birthday party balloon twister and all-round entertainer paid an online visit to our pupils this term. A celebration of our big return to school, this was an interactive show of magic, music and fun!

Reindeer visit

Funded by the PTFA for the whole school, Lightening the reindeer and Santa's elf came to visit Trawden school just before Christmas!

Each class had the chance to meet Lightening and Santa's Elf and were able to ask lots of questions. All of the children had their photo taken in the sleigh and all of these pictures were then printed for the children's Christmas cards.... We hoped you liked them!

Fundraising Events For Your Diary:

Garden Festival Colouring Competition!

The Trawden Garden Festival committee have decided that this year the full festival, with their usual stalls and activities will not take place due to the uncertainty surrounding Covid... HOWEVER... in the ethos of fun and Trawden community spirit they are encouraging everyone to get involved in a Garden Trail to be held over the first weekend in July (3rd & 4th July).

Let's all spruce up our gardens for everyone to have a walk around the village and enjoy. If you would like to decorate your windows, or do a scarecrow to join in the fun this is also encouraged. Theme for window decorations and scarecrows is "Lockdown Heroes".

In light of this we thought we would host our own competition and we will be sending home a colouring/drawing activity on Friday 2nd July for you to complete.

If you wish to enter the competition then please return your colouring sheet and £1 into school on Monday 5th July so they can be judged.

Prizes will be announced nearer the time!

Alternative Trawden Forest Show

The staff and children are very upset that the Trawden Show has had to be cancelled again due to Covid so we have decided to have our very own 'Alternative Trawden Forest Primary School Show'. More information will be shared with you about this in our School Newsletter next half term. There will be activities for you to choose to complete at home and in school. The entries must be in by Monday 28th June and the 'Trawden Forest Show' date will be confirmed nearer the time. We have some amazing and exciting ideas for you so watch this space...

Things we are saving up for this year...

- Outdoor learning resources
- History workshops
- Class budget to enhance topic provision in each year group
