Dear Parents/guardians,

A very warm welcome to you and your children during this initial and very significant year. We are looking forward to getting to know your children, finding out their interests and how they learn. Together we aim to nurture your child's curiosity to learn about the world around them and develop key lifelong skills to support them throughout their school journey and beyond. Although we have had to adapt to lots of changes in school in order to keep everyone safe, the children have taken it all in their stride and are settling in very well. If you require any further information about the daily routines or how we can support your child further during their Reception year, ring the school office, speak to a member of staff before or after school or email:

Reading:

Levelled reading books will be sent home after initial assessments are completed. Your child will also bring home a sounds and word pack to support their phonics learning.

Due to current restrictions, we will only be changing books once a week (Tuesday) when the children will be given two books to share at home. Please support your child at home by listening to them read daily.

If you would like to share something about your child's reading with us, please do so via Tapestry.

More information will be sent out when the children begin to bring home books and we will be happy to offer further support.

In Reception we use the Tapestry online learning journal when we complete observations of your children in both child initiated, play based learning and more adult-led focused activities. We warmly encourage families to add their own observations to create a fuller picture of each child's development and to help with this we may also set home learning activities on Tapestry.

If you have not received an email with login details please email Mrs Alcock and we will check your details and resend the login.

PE

PE will be on **Thursdays** and wherever possible will be held outdoors.

Please ensure that your child has appropriate clothing (trainers, white T-shirt, black leggings or joggers).

This kit can remain in school for the half term.

FOREST FRIDAYS

We will do Forest School every Friday. Reception has a set of waterproof suits and wellies that children can use so you do not need to send in anything. Please be aware that your child will most probably come home muddy.

Food and Drink

School Dinners

All children in Reception and KS1 are entitled to a free school dinner. This half term, due to restrictions on movement around school, the dinners will be packed lunch style with some hot options where possible.

Example menu:

Monday	Tuesday	Wednesday	Thursday	Friday
Pasta pot or Cheese baguette	Choice of sandwich (cheese, ham, tuna)	Burger or Cheese teacake	Choice of sandwich (cheese, ham, tuna)	Hot dog or Fish fingers

All choices served with drink, fruit and crisps, cake or biscuit.

Snacks

Children have access to fresh fruit snacks in the morning. You may wish to send in a healthy snack for the afternoon such as fruit, cereal bar which will be kept in a group box in class.

Milk

Children will have milk in the afternoon. You will have been sent information to sign up for milk online. If you have signed up for milk your child will be offered it each day. If they choose not to drink it we may send it home with them.

Water

It is important to drink plenty of water. Please ensure that your child has a bottle of water every day, labelled with their name, to keep them hydrated throughout the day. We are no longer able to provide the children with cups from school.
