

# Welcome to Reception

Every child matters, every moment counts

At Trawden Forest Primary School we want children to feel happy and excited to come into school. Starting a new school can feel a little scary, particularly this year because the children have not been able to visit and explore the school as much as usual.

# Who's here to help?

Hello, my name is Mrs Alcock and I will be your class teacher when you start school. I am really looking forward to all the adventures we are going to have with our new friends.

I know that starting school can be exciting but also a little bit worrying. That's okay – even teachers get nervous sometimes.

Look at these photos to see what our classroom is like and all the things you can do at school.

Mrs McGowan is our teaching assistant in Reception. She helps us with our learning, shows us what to do and is fantastic at listening.

Mrs Stinchon is our head teacher. She is in charge of the whole school and has to make sure everyone is happy, safe and learning. She likes to come and visit us.

# Coming in to School

Come on in through the gate.

Wait here with your mummy or daddy.

Line up at the blue gate when an adult comes out.

Up the ramp to our classroom door.

And into Reception class.

# Morning Routine

Put your water bottle in the blue tray.

Hang your coat on your peg.

Book bags go in the coloured trays.

Your snack can go in one of these boxes.

# Our Classroom

Writing Area

Maths Area

This is our carpet area. We sit here for the register, reading stories, counting and learning all together.

Role Play

Creative Area

Small World and Construction

# Outside Learning

We can play and learn in our outdoor area. We have lots of toys for outdoors.

At playtime we can use the equipment to climb and have fun or just run around in the space and make our own games.

Each week we go to our Forest School to explore our natural world.

# Toilets

The toilets are just outside the classroom. We share them with the Year 1 and Year 2 children.

There is one toilet for girls and another for boys.

We all go to the toilet together before dinner and PE.

If you are worried about going to the toilet by yourself one of the adults will help or you may choose a friend to go with you.

# Buddies

The children in Year 6 are our special buddies. They will help us to do Forest School and may come and read stories to us.

They have made you a special card and written you a letter about school.

As a special present we have given you a Trawden Forest School cap that you can wear at school on sunny days.

## We can't wait to see you in September!
