Dear Parents/Carers,

It has come to our attention that some children are walking to and from school without adult supervision.

The safety of our children is our highest priority and therefore we would like to clarify our position as a school with respect to this.

It is of course your right as a parent to decide when you feel your child or children are responsible enough to walk to and from school unaided.

If this is the case, and you are happy for us to allow your child/ren to leave school without adult supervision, please tick & sign the slip below.

Please be aware that as soon as a child has left the school premises, you as a parent are responsible for them and NOT the school.

Thank you for your assistance with this.
