Fiction/Non-Fiction -

Instructional text on extracting DNA
Information text on an invented creature
Narrative based on our class text
Class Reader – The Final Year by Matt Goodfellow

Science

Evolution

What traits are inherited from our parents?
How do species adapt? Darwin's finches.
How does adaptation lead to evolution?
How does fossil evidence support evolution?
What are the stages in the evolution of man?

Healthy Lifestyle

How do we keep a healthy heart?
What impact do smoking, alcohol and drugs have on a healthy lifestyle?

Geography

Where did homo sapiens come from? How and why did we change as we migrated through the world?
How do countries compare by size? Does the type of map we use make a difference?
Global Trade: What do we trade and who do we trade with?
What is Fair Trade?
How does a global economy work?

Going Global
