English:

The children will complete the final paragraphs of their Setting Narrative. They will then spend time editing and revising their work, carefully checking their punctuation, spelling, grammar, and overall effectiveness as writers. Following this, the children will begin a new writing unit based on *The Whale*. Over a series of lessons, they will build the knowledge and skills needed to write an engaging newspaper report.

Maths:

This week in Maths, the children will complete their assessment on Place Value. The children will then move on to Addition and Subtraction. They will explore the effect of either adding or subtracting a multiple of 1, 10, 100 or 1,000 by discussing which columns always, sometimes and never change. They will then learn to add 3- or 4-digit numbers with no exchanges, using concrete resources as well as the formal written method

Home Learning:

Spellings: The children will bring home their spellings on **Monday 5th October**. The focus this week: Look at less common ways to spell the long oo phoneme. The children will be tested on **Monday 12th October**. **The children must bring their yellow home learning book to school every Monday so we can record their spelling score and stick in the new spellings.**

Reading: Please ensure your child is reading to an adult **daily** and they are being questioned about what they have read. Please record their reading in their reading record book.
