Class News - 5th October

English: We are going to continue to look at the book 'Old Bear.'

This week we are going to be focusing on capital letters and where we need to use them, thinking about names, places, days of the week. We will be thinking about how we can rescue another toy from the attic, writing our ideas and using drama to act out our ideas.

Maths: This week we are going to be compare pair of numbers within 10.

We will be continuing to use the language we used last week and the symbols $<$ $>$ $=$.

Once we are confident with this we are going to move on to ordering three groups of objects. We will introduce numbers also so they can order a set of 3 numbers.

Phonics:

This week we are looking at the sounds: **e-e, i-e, o-e**

The words we are focusing on: **from, help, back, animals, will, this, that, then, them, with, went, children, just, off**

Home Learning:

Your child comes home with a monster phonic book and a free choice book on a Monday. These books are changed **every Monday** and need to be in your child's bookbag everyday so we can read at school with them.

Your child will also come home with a home learning book. Each Monday they will get focus words and focus number bonds to practice. **The books need to come back to school each Monday ready for the new learning.**

Other Matters:

★ PE is on **Tuesday & Friday** this half term so please make sure your child comes to school in their PE kit on these days.

★ **Our Windsor Castle trip is going to be on Thursday 26th November.**

★ On Monday during our English learning we are going to be creating a poster about our lost toy. Can your child bring in a **small** toy they can write a lost poster about. It could be a cuddly toy, a train, a car, a barbie etc

★ It is super to see each child has their own pencil case. Just a reminder that in their pencil your child should have: Writing pencils, colouring pencils, a glue stick (please make sure the glue is not coloured) scissors and a whiteboard pen.
