## This week in Year 3

### Monday 6<sup>th</sup> July 2026

#### **English:**

In English, we are continuing to look at adverts and the language used to persuade and engage the reader or listener.

#### **Maths:**

In Maths, we are finishing our unit about 'Time'. Please have conversations with your child about Time in particular questions around durations/ lengths of time. For example, a film, when it starts, if it last 1hr 30mins what time will it finish. If we go to the shops at 2pm and come home at 5:30pm how long were we shopping? If they feel able, try challenging your child to minute examples such as if school starts at 8:50 and finishes at 3:15 how long are we in school, if we have 1hr 15 mins for break how long are we in class? Etc.

#### **Homework:**

**READING:** We ask that at least ten minutes every day (5 times at least) is spent reading your child's **school colour band book** which then needs to be written in and **signed by a parent in their reading diary**. The children will read a leisure book (from the library) in school or at home but must have their reading book and diary in school every day. The children are allowed to change their own reading book when needed, however it must have been **read at home and signed by an adult**. Golden points will be rewarded for schoolbooks only. You do not need to record any other reading in their diary except their schoolbook.

**MATHS:** 5-10 minutes times tables and number bond practice using TTrackstars and Numbots every day (3 times at least).

**SPELLING:** These will continue as usual and will be sent home on Mondays and tested the following Monday.

**Spellings:** This week the focus is to identify and use the suffixes ful and less; **thoughtful, hopeful, careful, fearful, mindful, thoughtless, hopeless, careless, fearless, mindless** (\*statutory words)

They will be tested on this list of words on **Monday 14<sup>th</sup> July**. This will be the final week.

#### **Other Matters:**

- We have our end of year Pbone concert this Friday 10<sup>th</sup> July at 9:15am. Parents are invited to come and watch how much the children have learnt this year and enjoy listening to them play. The concert will last around 20minutes and will be the last of our Pbone lessons.
- We will be learning more about staying safe online this week. Please do have conversations with your child at home to allow them a chance to ask their questions and feel safe. Mrs Pennington sent an email and there was a letter in your child's school bag last Thursday with more information and ways you can support your child at home with this.
- Year 3 enjoyed meeting their year 4 this week and were given some information about Mrs Brech and what they will need in their pencil case next year.
- Good luck to the Year 3 pupils who are joining the Year 4 production this week. We hope they enjoy themselves and I'm sure they will be a delightful addition to the choir.
- Please enjoy our photos from the Earthquakes and volcanoes workshop on this week's Peek of the week!
