Class News – Monday 16th November

English:

The children will start their new unit based around the book 'Leaf' by Sandra Dieckmann. The children will be looking at illustrations from the book and trying to write their predictions for what they think the story will be about. The children will then look at prepositional phrases within the text and write their own preposition poem, based on one of the Vehicle Text illustrations explored.

Maths:

This week the children will start their new unit on Multiplication and Division. They will explore the 3x table and explore how to recognise if a number is a multiple of 3 by finding its digit sum: if the sum of the digits of a number is a multiple of 3, then the number itself is also a multiple of 3. They will then explore the fact that the 6 times-table is double the 3 times-table.

Home Learning:

Spellings: The children will bring home their spellings on **Monday 16th November**. The focus this week: possessive apostrophe. The children will be tested on **Monday 23rd November. The children must bring their yellow home learning book to school every Monday so we can record their spelling score and stick in the new spellings**.

Reading: Please ensure your child is reading to an adult **daily** and they are being questioned about what they have read. Please record their reading in their reading record book. The children can change their books regularly if an adult has recorded in the book that they have read and finished the book. Children need to bring their reading book and reading record into school every day.

Times Tables: The children will bring home a times table on **Monday 16th November** to learn. They need to learn the times table for a test on **Monday 23rd November**.

Please ensure your child is accessing TTRS at least 3 times a week.

Other Matters:

PE - Wednesday and Fridays. Children to come to school in the correct school PE kit with a red jumper or school fleece.

Please can all children have the correct equipment in their pencil cases. They need sharp pencils, a glue stick, whiteboard pens and a ruler. Thank you.
