

## This week in Year 1

Monday 19<sup>th</sup> October 2020

One week to go!

Please remember that on Tuesday 20<sup>th</sup> your child will need to bring in a bag of junk modelling. They will be making their own home/house as part of our Geography topic about Windsor. You can talk to them about what type of house they want to make and which resources they will need.

Please only bring the bag of junk modelling in on Tuesday.

### English:

This week we are going to be writing our non-fiction information pages all about owls so we can create a class book.

We will be reading information to learn about owls and will be thinking about 3 different headings we will have on our information page.

We are working really hard on remembering to use capital letters at the beginning of a sentence, for names and for places.

### Phonics:

Please practice writing words at home that have phase 3 sounds in them.

We are using phase 3 words in sentences this week.

We are also going through our tricky words and using them in sentences:

**he, she, be, her, my, me, we, are, was, they, all, you**

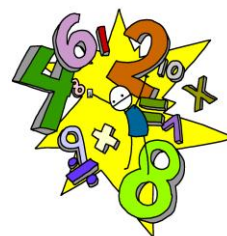

Phonics  
ee ur ow  
wh y au

### Maths:

In Maths this week we are going to be looking at 2D shapes.

We will be using 2D shapes to create repeating patterns and pictures.

We will also be sorting 2D shapes depending on their properties and describing them.

### **Homework:**

Your child will be bringing home 3 reading books on Monday and this will need to be returned on Thursday. Please read them with your child and remember to talk about the story, asking them questions.

Bug club is now up and running again. I have allocated your child a book band and they have a selection of books to read. (You access bug club through their abacus log in)

I have set work on Purplemash and abacus.

Your child may also be able to play some games on TT rockstars.

Please help your child practice their spellings for this week. They will be tested next Friday (23rd October) Please make sure you read the letter to know what spelling group your child is in- they must learn the right list of words.

Over half term I will upload the spellings for autumn term 2.

### **Action Points:**

★ PE is on Tuesday & Friday so please make sure that your child has a full PE kit in school and that every item is named.

★ The weather is beginning to change this week so please make sure your child has a coat/raincoat with them in case!

★ Please ensure that your child has their own pencil case that contains writing pencils, colouring pencils, a whiteboard pen, scissors and a glue stick. Some children's whiteboard pen or gluestick has run out. We do say to bring it back home to you so you are aware and can provide them with a new one.

★ Please make sure you help your child practice their weekly spellings. The test will be on Friday 23rd October.

Please bring in a bag of junk modelling on Tuesday 20<sup>th</sup> ready for our house building.
