

Monday 5th October

This week in Reception

This week we will be continuing with our topic and will focus on the human life cycle.

Phonics Phonic focus for this week

ee ur ow
wh y au

This week we will be introducing the sounds 'h' 'r' 'm' 'd'. We will use Jolly Phonic actions and songs to help support the learning. Tricky words will be introduced starting with I.

Maths

This week the maths focus will be on finding one more than a given number. We will also practice forming numerals correctly, particularly numbers 1-5.

What can you do at home?

1. Please help your child practice the sounds that we are learning and make sure that the sound book is in their book bag on Thursday so that the new sounds can be stuck in.
2. Look for the word 'I' in different books.
3. Practice counting and reading numbers to 10/20 or beyond. Can your child say which number is one more than a given number?
4. Keep practicing name writing using the school script.

Action points

★PE is on Mondays this half term. Please ensure that your child has a PE bag in school with the correct uniform and all items are named. As the weather gets colder, please do send in warm joggers and a jumper for PE if you haven't already done so.

★Please send in a named raincoat for your child everyday as we use our outdoor classroom daily.

★Please ensure that your child has a named water bottle in school every day.

★We provide fruit and milk for a mid-morning snack. There is usually a variety of fruit and vegetables available. If you prefer to provide a healthy snack, please make sure it is clearly labelled with your child's name.

★Please collect junk materials; we particularly need boxes (no bigger than a cereal box) which has been turned inside out and paper tubes.

If you have any concerns please feel free to email us.

Reception Team
