

This week in Year 1

Tuesday 4th May 2021

I hope you all had a lovely bank holiday weekend.

English:

This week in English we are going to be writing our own stories based on a surprise. We will be thinking about a setting, characters and what the surprise is going to be. We will be planning our stories thinking about what is going to be happening in the beginning, middle and end.

When we writing our stories next week we will be making sure we include interesting adjectives.

Phonics:

This week we will be looking at alternative pronunciations and will cover: ou and ey

We will also be recapping words and looking at real and alien words.

We will be looking at the tricky words- **your, here, school, where**

There are some phonic resources under 'ongoing resources' on the school, website that you can complete at home with your child.

In Maths this week we are going to be looking at money.

We will be ordering coins and notes and will be using coins/notes to make different amounts.

We will be turning our classroom into a shop and will need to be buying different items around the classroom using our money.

We will also practice giving change.

Homework:

Your child will be bringing home 3 reading books on **Monday** and this will need to be returned on **Thursday**. Please read them with your child and remember to talk about the story, asking them questions.

Please remember that there are also books on bug club for your child to read.

Every Friday I will set the following homework:

- An activity to complete on Purplemash

The spelling list for this half term is uploaded to the website under 'ongoing resources'

Your child will be tested on their spellings every Friday.

Before Easter your child would have come home with the star spellings for this half term. Please support your child in learning those words over the new few weeks. They will be tested on them before May half term.
