Class News - Monday 19th October 2026

English:

We will be continuing to explore 'A River' by Marc Martin. The children will be turning their ideas into a letter to write to Tom. The letter will help him navigate his journey safely. They will need to include some commands in their letters.

Maths:

We will be continuing to work on addition and subtraction. The children will be adding and subtracting across tens. They will be using a variety of different methods to help them including tens frames, number bond knowledge and number lines.

Home Learning:

On Monday the children will bring home their homework book, Monster Phonics reading book and a free choice reading book.

The Monster Phonics book will be changed weekly and the children can choose a new free choice book daily.

Please read daily with your child and complete the homework book. The homework book needs to be back in school on Thursday please.

Please ensure that their reading books and records are in school daily as they will be heard read throughout the week.

Other Matters:

The children are very excited about their trip to Legoland! Please make sure the children arrive on Thursday morning with a water bottle, rucksack and coat. If you have not ordered a school lunch then please make sure they also have a packed lunch with them.

Next week, is parent's evenings. Thank you to all who have signed up to see me. I am looking forward to meeting with you and for you to have the chance to see your child's work. If you have yet to sign up then please contact the office.

Many thanks, Year 2 Team
