Class News - Monday 21st September 2026

English:

We will be continuing to explore 'A River' by Marc Martin. The children will be planning their own curricular narrative based on the events of the story and a journey down a river.

Maths:

We will be completing our work on place value. The children will be estimating numbers on a number and comparing them using the greater than and less than symbol

Home Learning:

We will be starting home learning and reading books this coming week. On Monday the children will bring home their homework book, Monster Phonics reading book and a free choice reading book.

The Monster Phonics book will be changed weekly and the children can choose a new free choice book daily.

Please read daily with your child and complete the homework book. The homework book needs to be back in school on Thursday please.

Other Matters:

The children had a wonderful time at the zoo and enjoyed seeing plenty of animals. They liked the flamingos, bongos and giraffes.

A big thank you to the parent helpers who came with us on the trip. There will be other trips in Year 2 so if you did not help this time there will be further opportunities throughout the year.

Many thanks, Year 2 Team
