## Class News Monday 14<sup>th</sup> December 2020

### Year 4

**Maths** – This week we will finish our shape topic, 2D and 3D. The children have been using protractors to draw nets accurately. This will culminate in a 3D shape ‘Christmas themed’ competition.

**English** – This week we will continue with speech punctuation and writing some cartoons with speech bubbles. There will be a colour spelling test on Thursday this week.

**Foundation** – There will be several craft activities this week, with a Christmas theme. In computing we will be considering plagiarism. This will include consideration of online information and whether we should trust it?

#### Homework

The first timestables test after Christmas will be a wholeclass four times tables test. I am sending home a homework sheet based on the 4x table. If this is completed over Christmas and returned in January, I will award a golden point. It does not need to be completed as I do not like to give homework over the Christmas period.

The children will have their colour spelling test on Thursday. All children were given their colour spellings earlier in the term, please make sure they ask for a new sheet if they can't find them.

#### Other news:

This week YELLOW house are allowed to come to school in their own clothes on Tuesday. This is a reward for being the house with the highest number of golden points this term. Children do not need to bring any money for this. On Wednesday the whole school can come to school in home clothes. This is Christmas lunch day. Clothes can be Christmas themed. The children have brought a letter home with suggested items to bring for the local homeless charity on Wednesday.
