## **Class News Monday 15<sup>th</sup> March 2021**

### **Year 4**

**Maths** – This week we will focus on Number and Place Value: Rounding and sequencing.

**English** – This week we will look at the features of a play script. As part of the SPAG lesson we will revise the use of the colon.

**Foundation** – The children will continue to share their river presentations with the class. In Science we will make simple circuits. The Friday PE lesson will be gymnastics. In French the children will continue to revise parts of the body with a focus on numbers, colours and the face.

#### **Homework**

We have completed one to one reading assessments. The children will bring their colour reading books home on Monday. These must be returned on Thursday. Colour spellings will be tested on Friday. The children have been given copies of their current spelling list and next list. These can go home on Monday. In addition to reading and spellings I would encourage daily times tables activities. All children have access to TT Rockstars and Purple Mash times table activities.

#### **Other news:**

Please make sure that pencil cases have been replenished. There have been a number of children without items this week, such as glue sticks.

Thank you,

Mrs Helen Dewar
