Class News Monday 12th October 2020

Year 4

Maths – In Maths this week we are continuing with multiplication and division, in particular multiplying and dividing by 10, 100 and 1000. The children will have a short test this week.

English – Having completed a piece of writing earlier this week we are continuing to revise: nouns, adverbs, adjectives and verbs. There will be a short English test this week, focusing on reading comprehension.

Spellings:

1. **here**
2. **hear**
3. **heel**
4. **heal**
5. **he'll**
6. **knot**
7. **not**
8. **often**
9. **opposite**
10. **ordinary**

Foundation

Having come a very respectable second in Event 1 of the Virtual School Games, we are now focusing on Event 2. The first event involved football skills, whilst the second event involves throwing skills and speed. In Geography we will talk about Windsor and share our knowledge of the local area. If you have memories of Windsor, as a child, please talk to your child about this. Hopefully we can share some of these memories in the lesson.

Homework

I have logged onto abacus with each child and talked about the homework. All children will have checked that their password works and been shown their maths homework and bugclub book. I have shown the children their on-line books and listened to them all read, to check their level. Bugclub is a good reading resource but I am still learning how to get the most out of it. I have asked all children to speak to me if they find that they cannot access bugclub, if the book is too easy or tricky, or if they find that they don't have a book on-line. I am grateful for your support with this.

Thank you

Thank you for supporting the Harvest Festival; it's appreciated.

Mrs Helen Dewar
