Class News Monday 17th May 2021

Year 4

Maths –In Maths we are continuing with decimals but focusing on money. The children have been earning plastic money in the classroom, ready for Mrs Dewar’s Market on the final day before half term.

English – The children will continue to focus on the structure and features of a newspaper. They will type up their newspaper articles this week.

Foundation

The children have been working hard on their ant sculptures and should finish them this week. In History we will be learning about the legend behind the creation of Rome.

Spellings

The children have been given their star spelling words to take home and learn. They will all be tested on these words this week. Those children who have spellings with Mrs Doran will be given their new spellings each Wednesday and tested the following Wednesday. Mrs Doran is sending the spellings home each week. If learning two lists this week is too much I would suggest focussing on Mrs Doran’s spellings and we can test colour spellings next week. I will ask Mrs Doran not to give out new spellings this Wednesday.

Homework

I will continue to set Math's homework on Purple Mash. I know that some homework games have been successful and others not so good. The children feedback each week, which is really useful.

KS2 Cross Country

The children will be taking part in a cross country race on Tuesday 25th May. This will be against other local schools BUT they will not mix with other schools at the event. Times will be used to place the fastest runners. The children will need: PE kit (trainers if you have them), water and possibly hats and suntan lotion depending on the weather.

Kind Regards,

Mrs Helen Dewar
