Class News Monday 19th October 2020

Year 4

Maths – In Maths this week we will be using different methods to complete multiplication calculations. There will be a big focus on timestables and we will be talking about the National Year 4 timestables test, which will take place in the summer term. Each child will also be given the chance to go through their recent Maths test with me.

English – In English the children will independently write a persuasive letter to Mrs Lovegrove. We will continue to revise subordinate clauses.

Foundation

In PE we will complete our sponsored mile on Wednesday. The children will have a short test in Geography on Thursday. In Science the children will be carrying out two investigations.

Homework

Homework will be set on abacus. Please let me know if you cannot access the homework on abacus as this includes Maths work and bug club reading. The coloured spellings will be tested on Friday. There will be no class spelling list this week.

Sponsored Mile

The sponsored mile will take on Wednesday and will involve the children running ten laps of the playground to complete the mile. For those quicker members of the class, I am happy for them to try
