Class News Monday 9th November 2020

Year 4

Maths – Our focus, this week, will be fractions. There will be lots of practical activities to start with. The times tables test will take place on Thursday.

English – Having introduced the lighthouse story we will be writing the introduction. Children will recap fronted adverbials and be encouraged to use one in the introduction to hook the reader.

Foundation

In Science this week we will start our 'sound' topic. History will continue the journey through Anglo Saxon Britain. We have been making sure that we understand the chronological order of events; the children have been acting out the events to know what came before and what came after the Anglo Saxons.

Homework

The homework will continue to be times tables based and linked to the Thursday times tables test. Homework will go home with books each Monday and needs to be returned with the reading books on Thursday. Weekly spellings are introduced each Friday and tested the following Friday. The spellings are listed below:

irregular

irrelevant

irresponsible

inactive

incorrect

popular

position

possess

possession

Thriving and Achieving in a Caring Christian Community

This is my commandment, that you love one another as I have loved you. John Ch15 v12

Other news:

Year 4 will continue to run/walk a mile each day. This will continue throughout lockdown to support wellbeing and fitness. Poppies will be sold by the School Council children at break times today (Monday) and Tuesday this week.
