## **Class News Tuesday 9<sup>th</sup> May 2022**

### **Year 4**

**Maths** – This week we will continue with decimals with a focus on money. With the Government timetables check fast approaching we will also be focussing on timetables in the classroom.

**English** – In English we will look at the features of a newspaper and start to consider the perfect introduction, to hook the reader.

**Foundation** – In art we will choose and cut out our felt for the sewing project. In music we will be learning some new songs with Mr Manners on a Tuesday and with Mrs Manners throughout the week. In RE we will find out about the Jewish commitment to God and the Bat Mitzvah. In Science we will continue to learn about the impact of plastic in the ocean.

### **Homework**

**Spellings:** information, adoration, sensation, preparation, admiration, suppose, surprise, therefore, though, although, reign.

Colour spellings have also been sent home and will be tested on Friday 20<sup>th</sup> May.

Homework has been set on purple mash and TT Rockstars: monster multiplication, x 9 speed test, sequence snake and five games on soundcheck. I will check that all children have completed the work on Friday each week.

Finally

Don't forget that drop off is at Stovell Field on Tuesday 10<sup>th</sup> at 8:45 ready for the sponsored run. I look forward to seeing some of you there.

Kind Regards,

Mrs Helen Dewar
