Class News Monday 16th May 2022

Year 4

Maths – This week will complete our decimals work with column subtraction and addition. We will also go over rounding.

English – In English we will write our news articles and this will also be linked to our learning in History.

Foundation – In art we will design and paint our shields, which will be used as part of the display for the Year 4 play. In History we will learn about Romulus and Remus before finding out about the three Roman invasions. In music the children will be singing with Mr Manners as well as learning the songs for the Hexagon concert.

Homework

Spellings: Colour spellings will be tested on Friday 20th May. All the children have been given their colour spellings sheet. If they have lost their sheet, please ask them to tell Mrs Brown on Monday morning, so that we can replace it quickly.

Homework has been set on purple mash and TT Rockstars: monster multiplication and five games on soundcheck. I will check that all children have completed the work on Friday each week. The children also need to start practising their songs for the hexagon.

Finally

Please have a look at the Street Tag information as this is a local schools' competition and a really fun activity. Also, with Ufton quickly approaching I have written a letter with a kit list reminder and details such as timings and medication requirements. The letter will go home this week.

Thank you for supporting the sponsored run!

Kind Regards,

Mrs Helen Dewar
