Class News Monday 21st March 2022

Year 4

Maths – This year we will go over some of the topics covered this year, before completing the termly Maths assessment later in the week. The children will also continue their work on multiplication and division, using the terminology: product, multiplication equation, factor pairs, commutative law and distributive law.

English – We will continue with our work on playscripts and complete a reading comprehension.

Spellings:

invention,
injection,
action,
hesitation,

completion,
pressure,
probably,
promise

Foundation – The children will continue to share their river presentations. I have been very impressed with the quality so far. In science we will investigate the journey of food through the body. In dance, the children have completed their routine and are busy rehearsing for the Dance Festival.

Homework

The children have a maths sheet and weekly spellings. If your child completes a spelling lesson with Mrs Doran, I would like them to continue to choose at least four of the class spellings for the weekly test.

Finally

There will be an Ufton Court Presentation in the Year 4 Classroom at 3:30 on Monday 21st March. We are asking that only one parent per family attend and that parents wear masks. Any children who are normally collected at 3:15, are welcome to stay in Year 3 with Mrs Manners during the presentation. If you cannot attend the PPT will be made available on the website.

Kind Regards,

Mrs Helen Dewar
