THE ROYAL BOROUGH OF
WINDSOR AND
MAIDENHEAD

Headteacher: Mrs Louise Lovegrove

07 May 2020

Dear Parents,

Our week started with another whole school assembly led by Rev Sally. On Monday Rev Sally used the story of Jesus calming the storm on Lake Galilee to demonstrate and reassure that we are not alone in difficult times. Please note that on Monday 11 May, due to an existing commitment for Rev Sally, the assembly will be held at 4pm. The invitation will go out on Monday morning.

Many thanks to parents who have contacted me this week to express their appreciation for the support they have received from school to help them deliver home learning. All your messages have been passed onto the staff. We are working hard to ensure there are a range of resources (not all computer based), varying tasks which allow for children’s differing approaches to learning and dealing with your individual enquiries. The staff meet regularly to share ideas and work together to improve our offer. It has given us all a boost to know that this work is appreciated.

We are hearing a rising tide of speculation on future government plans for a slow release of the Lock Down. We are all hoping that clarity will be provided over the weekend. I am preparing a Recovery Strategy which is being discussed with staff and governors and will continue to be adapted as new information is released. As soon as we are clear on what national next steps mean for us I will be informing you and keeping you updated of any change to the current situation.

I am sending out with this newsletter a new guide that has come from the NHS to support young people struggling to cope in the current situation. The leaflet attached contains trustworthy resources which you may find useful.

I hope that you may be able to enjoy the good weather and appropriately socially distanced VE Day celebrations over the Bank Holiday weekend.

Kind regards

Louise Lovegrove
