Dear Parents,

We all enjoyed the Sponsored Run event on Tuesday morning. The children have worked hard to build up their stamina through the daily mile. The support the children gave each other was brilliant. It was lovely to have so many parents supporting the school and cheering on the runners. An impressive number of you also enjoyed joining in the run; which has already raised a lot of money for school funds. It is not too late to add your donation. Please see the details below and visit the Just Giving page. Thank you to all of you who have already contributed.

I would like to thank Mrs Dewar and the Windsor Schools Sports Partnership team members, Mark and Jarrod for organising and running the event. It is wonderful to be able to make use of Stovell Field and have their support and expertise at events like this. I would also like to pass on my thanks to members of TSSSA, in particular Caroline and Posan, who set up the Just Giving page and organised the advertising.

Mrs Dewar has worked tirelessly on improving the fitness and extending the amount of exercise our school community gets. She is introducing a new APP called, *Street Tag*.

Street Tag is a free child and family-friendly mobile application that uses virtual tags to encourage communities and families to become more physically active and boost mental health. When using this app you collect points assigned to virtual tags all around your community including green spaces, once you are within a 40-meter radius of any virtual tag. The app will automatically collect the points and

the tag colour changes to Red from Yellow. Indoor and outdoor steps can be synced and converted into *Street Tag* points. These points add up in real-time on the school leader board, with prizes to be won at the end of each season. Further information on joining the scheme are being sent as a further attachment to this newsletter.

The Queen's Green Canopy Project - Commemorative Planting Event:

On Tuesday Trinity St Stephen was able to be part of the HM The Queen's Platinum Jubilee and the Queen's Green Canopy Project. Our representative was Henry in Year 4 who, along with his mother, went to oversee the planting on the Trinity St Stephen tree. The weather did not dampen such a marvellous occasion. Marta Jackson, who is currently one of our lunch time assistants, has decided that it is now time to move on. Marta has been dedicated to her role at Trinity for over 9 years and has very much enjoyed supporting the children during lunch. During that time she has been a lunchtime assistant but also spent some years supporting Mrs Howard in Drop Zone. Her daughter attended the school too. We will greatly miss her but wish her every success in her new role at Eton College which she starts after half term.

If any member of our community either would be interested in taking up a lunchtime role at the school or knows of someone who may be interested. Please contact Mrs Jones in the school office. Details of the role are on the website. <https://www.tssfirst.co.uk/school-life/job-vacancies>

Yesterday Year 2 enjoyed a trip to Eton Museum. They learnt more about their science topic which is learning about animals and life cycles. Currently, Year 2 have some important visitors in the classroom. A number of caterpillars are being cared for and carefully observed. The children are enjoying seeing first-hand the wonders of the life cycle of a butterfly.

Next week we will be welcoming Year 1 parents in Church on **Thursday 19 May** to celebrate the children's learning. I have also added a new date below, **Friday 24 June**, for Reception parents to join us in class worship at St Stephen and St Agnes Church at 9am that morning.

A reminder that your child can bring in the following break snacks only: vegetables, fruit, plain crackers (rice or cream), no nut products.

Finally, many thanks to the Reception team who are running the Cake Sale this evening. Enjoy the sugar treat at the start of your weekend and thank you for the continued donation to school funds.

Kind regards,

Louise Lovegrove
