14 May 2021

Dear Parents,

Thank you to those parents who attended the TSSSA meeting on Monday evening. The association continues to work hard on creating innovative ideas on maintaining income as well as providing some exciting and welcome distractions from the current global crisis. During the meeting I thanked the committee and the school community for all their hard work in raising funds which has enabled the school to purchase and install the playground. The timing of the build and opening of the new equipment was perfect for the return to full re-opening of schools. It is absolutely right that money raised over the last couple of years is spent on and benefits the children currently in school. Whilst the treasurer explained that, due to the large spend, the bank account is much emptier I am pleased to say that, amongst other smaller items the association agreed to purchase several new large picnic benches to replace the tired wooden ones. This purchase will add to our outdoor space and enable children to enjoy both learning and relaxing outside.

The association have organised a programme of events and activities for the Summer. These will be risk assessed closer to each event and according to the national and local situation at the time. Please be aware that the events may be changed or postponed to keep our community safe.

The association are looking for volunteers to help us tidy the grounds of the school on Saturday 22 May between 9am and noon. If you can offer an hour or more of your time that would be much appreciated. Children can come with parents, but must be appropriately supervised. Please let the school office, Caroline or Dani know if you are able to attend and your preferred time slot so that we can organise the morning safely. Thank you.

The association are putting together a Garden Activity Box to keep green fingers busy over half term. More information will be coming out today in the book bags and electronically.

The governors are meeting next week. Part of the meeting will be to agree the risk assessment for school operations over the next few weeks. The Department for Education have recently issued revised guidance and the new risk assessment will be sent out next week after governor approval. The full guidance can be found on our website using the button at the top of the web page.

Next week is the first of our Family Worship Services. Year 3 parents are invited to attend the short service at 9am and Year 2 parents at 9.45am. The services are being held at St Stephen's and St Agnes' Church in Vansittart Road. Please remember the following safety precautions:

- One adult per family please
- Adults attending must be wearing a mask
- Please follow the Church Warden's guidance on sanitising on arrival and seating
- Please ensure you maintain social distancing guidance at all times

We look forward to seeing you there.

Some of our children celebrated Eid yesterday. We wish them and their family a happy celebration.

Attached with this newsletter is important information relating to car seat safety, a leaflet giving details of a cricket club and a flyer advertising Summer job opportunities.

Please see below for Summer dates. The new TSSSA events are highlighted in red.

Kind regards,
