Headteacher: Mrs Louise Lovegrove

17 July 2020

Dear Parents

During the week we have welcomed all the new pupils joining Reception in September into school. Miss Frank, our new Reception teacher and Mrs Case welcomed the children into small group story time sessions outside on the grass. Luckily the weather held fair. It was a good opportunity to come onto the school site and begin to get to know Miss Frank.

Our Year 4 children have begun a series of activities to meet up with each other and Mrs O'Neal and prepare properly for a goodbye to the school. Today and yesterday each half of the class met at Ufton Court, Ufton Nervet to enjoy some of the activities that had been planned for their residential trip. The children had great fun experiencing new challenges, meeting up with their friends again and enjoying the Greek banquet.

Next week Year 4 will be coming into school for one final time, coming in groups of ten to have a final day together. I am also pleased that the change in current lockdown guidelines means that we are also able to go ahead with our Leavers' Service. The service will, of course be different in format but does mean that we can all come together to give thanks for Year 4 and Mrs O'Neal's time at the school and wish them well in their new adventures. I look forward to meeting our Year 4 families again next week.

Please find attached to this newsletter some useful information from the Library Service. This year the Summer Reading Challenge includes a challenge for adults. Information is included in the flyer attached.

During Lockdown there has been concern about the amount of time our children are spending online. This has been an essential tool to deliver remote learning and has many benefits. The BBC have put some excellent resources together to help you find out more about how to help and protect your children as well as help your child use technology safely and confidently. Follow the link:

Today, I have sent out separately the information on the full re-opening of the school in September. As a school we are excited at the prospect of a sense of normality in the Autumn Term whilst recognising there is a lot of preparation to do to ensure we are putting the protective measures in place. The information and risk assessment are there to give you the practical information you need for the start of term and explain the measures we are putting in place. Please contact the office if there are any queries.

Kind regards,

A handwritten signature in cursive script that reads 'Louise Lovegrove'.
