Dear Parents,

Science Week

All the children took part in biscuit experiments this week. The children have been focussing on scientific inquiry skills particularly looking at designing a fair test and making careful observations. Please see the website for further updates. In assembly we have talked about being a scientist and looked at the work of a biogeochemist involved in taking soil samples from the North Pole.

Travel to School

The local authority have asked for parent responses to their travel survey. They are keen to ensure the borough develops plans which support travel by healthier and more sustainable means. Please see below for the link.

Parent Governor

The parent governor nominations window is still open. This is an opportunity to have a voice in the school vision and understanding how the school fulfils its aims and statutory requirements. The deadline for nominations is midday on **Thursday 24 March**. Please let the office know if you require a hard copy of the nomination form.

Trinity St Stephen School Association (TSSSA)

Sadly the Bunny Bingo planned for next month is going to be postponed. Without a Chair for the association events are increasingly difficult to arrange. The committee are organising a meeting for Monday 28 March at 7.30pm in school. As parents and friends of the school you are all automatically members and the committee would love to see as many people as possible at the meeting. The agenda will include a number of items including recruiting a new Chair or Co Chairs. Please come along and support this meeting if possible. There will be an après-meeting social at the pub! This is an excellent opportunity to come and meet fellow parents at the school.

Thank you to members of the committee who have organised the Mothers' Day Shop. This will take place after school on Thursday 24 March. Every child can choose a small treat, beautifully gift-wrapped for their mum or a special person in their life which they can give on Sunday 27 March. The children can select their gift-wrapped present from the wooden stage/shelter in the playground after school. The event is run by the TSSSA and with the help of donations. The suggested donation is £2 per gift.

If you can donate, please donate directly into the TSSSA account (details below) or use the donation buckets on the day.

After School Care

On Tuesday after school care celebrated the completion of their first year by hosting a party. The children enjoyed sitting together to have a party tea complete with cake, popcorn and sandwiches. Thank you to Miss Rogan and Miss Pentek for working so hard to develop our after school care. The first year has been a tremendous success.

Staffing

Today we are said goodbye and thank you to Mrs Larose for her time with us in Reception. We wish her well in her new role. We welcome Miss Pentek to the Reception team and hope that she will enjoy her time with us.

Kind regards,
