21 May 2021

Dear Parents,

The children and parents very much enjoyed the church services held yesterday for Reception and Key Stage 1 and Key Stage 2. Reverend Sally led the worship for both groups and it was lovely to see parents again at the back of the Church. Thank you to both Reverend Sally and those parents who were able to attend. We are looking forward to the next sessions for parents of children in Year 4, Year 1 and Reception on 24 June.

This week there was a Full Governing Body Meeting held on Monday evening. This meeting was held to review and to ratify this year's budget as well as review the latest government guidance on school operations and the updated risk assessment. The risk assessment is now published on the school website along with the other information relating to Coronavirus. I am also attaching the risk assessment to this newsletter.

In practical terms there were very few changes to the previous operating guidance. The governors agreed to keep mask wearing for all visitors on site for the time being. This will be reviewed again at the next stage of the relaxing of the lock down in June.

Along with the diary of TSSSA events planned over the coming months we are looking at the usual summer school events too. I have added some dates to the diary below, Sports Day and the Year 4 Summer Performance. We hope that we can run these and invite parents. Each event will be risk assessed. We are finalising arrangements over this week and hope to give you a further update with final arrangements by the end of next week.

Year 2 were excited to welcome five caterpillars into their classroom this week. As part of their Science, they are looking to observe the caterpillars and see how they change as they grow. Year 2 will be writing a blog to update everyone on the progress of the caterpillars. The first entry is now live on the school website so please do check it out!

PE ACTIVE UPDATE - 'Craze of the Week'

The introduction of 'Craze of the Week' has been a huge success across Key Stage 1 and Key Stage 2. Each week the children are given new playground equipment to play with. At the end of the week the children help pack away the equipment ready for different games the following Monday. The Key Stage 1 children enjoyed finding the hidden hoola hoops each break time, some were dangling from trees. Miss Pugh said that the children had invented new games with the hoops. Rocket League, with the giant football and sit on toys, has been

another popular craze.

Cross Country

On Tuesday 25 May, the Year 3 and Year 4 children will compete with other local schools in a cross country race. All schools will run at different times but the fastest race times will be compared. All Trinity KS2 children are going to give the race a go and should complete the course easily, thanks to the daily mile. We are hopeful of a few fast times!

Your child/children have come home with their class proof photograph and order form. We would encourage parents to order copies, where possible, online. This needs to be done by **Tuesday 25 May**.

Thank you to those parents who have volunteered to help with some ground's maintenance on Saturday morning. I look forward to seeing you.

Kind regards,

Summer Term Dates
