Headteacher: Mrs Louise Lovegrove

07 June 2024

Dear Parents,

Welcome back for the final term. This term is always busy! We have lots in the school diary and hope that we can share these special school moments, particularly for our Year 4 children with our whole community. We are looking forward to the usual highlights such as Sports Day, the Summer Fair and the Year 4 production. The whole school will be taking part in a week of themed learning on The Olympics in July and many year groups also have their Summer visit to look forward to.

There will be further information coming shortly about Sports Day which is on Monday 17 June, but please ensure your child has a plain T shirt in their house colours ready for the day. Thank you.

The school is beginning to prepare for next year. We are really looking forward to welcoming the new class of Reception children to our school. Their families will be invited to the Summer Fair and the Party in the Playground, please join us in welcoming them to our special Trinity Community.

Many thanks to Carol, who is a school neighbour and a long-standing member of our community. First joining the school some years ago when her children were pupils and now is a grandparent at the school. Her family have always been committed in their work to support the school and she has particularly worked on our grounds. She is responsible for the beautiful display of wild flowers in the bed opposite the front of the school. This is a wonderful mass of poppies and cornflowers at the moment. Over the half term she also cleared out the trough by the school front door and has re planted for the summer. A huge thank you for all her hard work.

TSSSA

The association is working hard to prepare for the T-Fest themed Summer Fair, taking place on 22 June. This is the biggest fund raising event of the year and great fun. Please do come forward and let your class reps know if you can volunteer. There is plenty to do! Whether it is helping on the Friday evening with the set-up, running a stall for a short time, baking cakes, donating items or clearing away ALL offers of help are very much appreciated and help make it fun for everyone involved.

Next Friday the Father's Day gifts will be available for all children to take either for their father or another key man in their lives. Please donate using the information on the attached poster. Thank you to the team for running this special event.

Finally, you will continue to hear on the news that the current government have made school attendance a high priority. There is no doubt that continued absence from school significantly affects children's ability to make progress in their learning. This also includes being late to school. Children who consistently miss the beginning of the school day are at a huge disadvantage. Their day begins with the stress of having to work out what is happening and what they have missed. Small amounts of time mount up over the year. If children are late by 15 minutes every day they will be missing 10 school days over the year! Please remember school drop off starts at 8.45am so that your child can enter the classroom and start their day calmly.

I am attaching information from the Royal Borough of Windsor and Maidenhead on changes for fining for absence from school. Changes will be coming into place from September 2024.

I look forward to working with you and sharing the excitement of the final summer term with you all.

Kind regards,
