14 June 2024

Dear Parents,

This week Year 3 enjoyed an interesting trip to The Natural History Museum. They focussed on learning more about volcanoes and earthquakes including using the famous earthquake simulator to learn more about the devastating effects of this natural phenomenon. Thank you to the Year 3 team and volunteer parents for supporting the children on their day out.

## **Sports Day - Monday 17 June**

We hope that the weather will be with us and we can go ahead on Monday morning with our annual Sports Day. All parents, carers and friends of the school are welcome to join us. The school day will start 8.45am on Stovell Field in the same way as the Cross Country Run. If you are using Before School Club, please note that children are not able to be dropped in school after 8.30am. All children should be wearing a plain coloured T shirt representing their house colour, their PE shorts and appropriate footwear, preferably trainers. Please make sure your child also has a school jumper and a light rain coat too if the weather looks unpredictable. They may also require sun cream and a sun hat should it look (and feel) warmer! Water bottles and snacks/no school bags/no scooters or bikes.

I am sending out further information relating to Sports Day separately. Please check your emails.

## **TSSSA**

*There is continuing preparation for the TSSSA T-Fest Fair next Saturday (22 June). The TSSSA joined us in Celebration Assembly today to share the fun and excitement with the children. There is lots still to do. Please do let your class reps know if you can help.*

*This year the Silent Auction is online. There is information attached to the newsletter to join in and see the amazing prizes on offer this year. This will go live from 3pm today.*

*Many thanks to the Reception team for running the Father's Day Shop in school today. The children very much enjoyed selecting their gifts for the fathers, Uncles or Grandfathers in their lives. Please contribute using the details sent out with this newsletter.*

We have made some changes to playtime activities. Older children in the school have been dominating the football area and younger children have not been able to join in. We have also had a number of children having accidents as a result of the football games. In order to resolve the issues and keep our playground safe and inclusive for all, Mrs Foster has met with the Year 4 Sports Leaders. Together they have drawn up a Code of Conduct for everyone on the playground using equipment and a rota for playground activity, including football. Children will have access to football on a rota basis and there will usually be an opportunity to be involved in other organised activities on the remainder of the playground. The new arrangements are currently being trialled and the situation will continue to be monitored.

Please find attached a message from Father Richard regarding Messy Church over the Summer.
