What is this resource and how do I use it?

This times tables test activity is specially designed to help children practise one multiplication fact at a time. These teacher-made worksheets can help to improve children's understanding and knowledge of their multiplication and division facts. Answer sheets are included.

What skills does this practise?

Times Tables

Multiplication

Division

Further Activity Ideas and Suggestions

The only way to learn times tables is to keep using them. There are lots of times tables activities available on the [Parents Hub](#). For a bit of fun, you could try this [Times Tables Zap Game](#) or play [Multiplication Squares](#). Once your child becomes familiar with a range of tables, they may wish to test their speed using this [Beat the Clock Mixed Tables Challenge](#).
