Useful tips

Make sure all articles are named.

Do not bring valuable items, mobile phones, or money.

Ensure your child's bag is not too big/heavy as they must be able to carry them. Try to avoid suitcases on wheels - hard to get over the gravel!

Remember slippers, pair of trainers and boots/wellies.

Bring suitable clothing - not 'best'.

Spare carrier bags are useful for taking home muddy shoes/boots and dirty clothes!

No food items please, unless by arrangement for special diets, which should be notified well in advance of visit.

How you can help prepare...

Know how to put a bedsheet on and a duvet cover.

Table manners are important! Prepare your child to use a knife and fork properly.
