Phonic focus for this week

This week we will be re-capping all sounds and tricky words and will focus on reading and writing CVCC words.

English and Topic

We will write some sentences about pets. The children will be encouraged to write more than one sentence using school writing, clear finger spaces and full stops. We will also be looking at some nonfiction reading and writing.

Maths

This week we will be practising number bonds to 5/10 and will explore rotating shapes and making patterns.

What can you do at home?

1. Please practise reading and writing the high frequency words.
2. Practise reading and writing phase 3 digraphs and trigraphs
3. Please listen to/read with your child and make comments in the reading record. Please keep this in their book bags each day as we regularly check these and update them.
4. Practise adding and taking away using objects or a number line up to 10/20 or beyond.
5. Practise counting in twos to 20 and number bonds to 5/10.
6. Practise doubling numbers up to 10 and halving numbers by sharing objects practically.
7. Practise sentence writing. Find a picture of anything that interests your child in a magazine or on the internet and ask your child to write about it. Try to do this 2 or 3 times a week.
