

Monday 13th July 2026

This week in Reception

This week we will be finishing all our sea activities. We will also be reflecting on our time in reception and thinking about the summer holidays. We will celebrate the end of the year with a pirate party on Thursday. As the children can wear cool clothes due to the hot weather, they may want to wear shorts and a striped T-shirt to look like a pirate. We will be making hats and eye patches in school.

Phonics

Re-capping all sounds and tricky words.

English and Topic

Writing about what we are looking forward to in the Summer holidays.

Maths

This week we will be doing a variety of practical maths activities.

Other

- A big thank you to all those parents who have helped with the walking to and from the swimming pool each week, it has been a great help.
- Also thank you to all the parents who helped with parent army jobs over the year.
- Reports will be going out this week.
- **PARTY-** Please bring in the food contributions on Thursday morning. If you have volunteered to supply pirate bunting, please bring it before Thursday so Miss Cope can decorate the room before the children arrive. If you are supplying ice pops can they come in on Tuesday as our freezer is very slow to freeze them. Thank you, in advance, for all the contributions.

We have really enjoyed working with all the children and seeing them develop over the year. They have all worked hard and should be proud of what they have achieved. Thank you for all your support. We wish you a very happy and relaxing summer holiday.

We look forward to seeing the children when they are back in Year 1!

Reception Team.
