This week we will be working on cvc+ combinations including polysyllabic words. We will learn to read the high frequency words- made, make and came.

English and Topic

We will be continuing our fact writing about minibeasts.

Maths

This week we will be re-capping addition and subtraction. We will use objects and number lines to help us.

What can you do at home?

1. Please practise reading and writing the high frequency words.
2. Practise reading and writing phase 3 digraphs and trigraphs
3. Please listen to/read with your child and make comments in the reading record. Please keep this in their book bags each day as we regularly check these and update them.
4. Practise adding and taking away using objects or a number line up to 10/20 or beyond.
5. Practise counting in twos to 20 and number bonds to 5/10.
6. Practise doubling numbers up to 10 and halving numbers by sharing objects practically.
7. Practise sentence writing. Find a picture of anything that interests your child in a magazine or on the internet and ask your child to write about it. Try to do this 2 or 3 times a week.
