This week in Reception

Last week we enjoyed our trip to Odds Farm, the children were very well behaved and enjoyed exploring the farm. There are some photos from the trip on the school website. This week we will be continuing our learning about farm animals.

This week we will re-cap all sounds and tricky words. We will be reading and spelling CVC + words with taught digraphs.

English and Topic

We will be looking at some nonfiction reading and writing about farm animals and we will be making our own information books. The children will be encouraged to write more than one sentence using school writing, capital letters clear finger spaces and full stops.

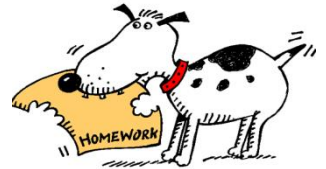

Maths

This week we will be exploring sharing and grouping objects. We will also be recapping number bonds and doubling to 10.

What can you do at home?

1. Please practise reading and writing the high frequency words.
2. Practise reading and writing phase 3 digraphs and trigraphs
3. Please listen to/read with your child and make comments in the reading record. Please keep this in their book bags each day as we regularly check these and update them.
4. Practise adding and taking away using objects or a number line up to 10/20 or beyond.
5. Practise counting in twos to 20 and number bonds to 5/10.
6. Practise doubling numbers up to 10 and halving numbers by sharing objects practically.
7. Practise sentence writing. Find a picture of anything that interests your child in a magazine or on the internet and ask your child to write about it. Try to do this 2 or 3 times a week.
