This week we will be learning the digraph 'oi'. We will be introducing the tricky word – what.

English and Topic

We will be writing about the Easter story. We are encouraging the children to write independently, remembering to use clear finger spaces and a full stop at the end of every sentence.

Maths

This week we continue practising finding all the ways to make 5/ 10 (number bonds to 5 / 10) and we will be learning about doubles and exploring odd and even numbers.

What can you do at home?

1. Please practise writing words with four sounds eg. hand, lamp, tent, and simple sentences.
2. Practise reading and writing the tricky words we have covered. Mini flashcards are at the back of your child's sound book and you can look for the tricky words in books.
3. Please listen to/read with your child and make comments in the reading record. Please keep this in their book bags each day as we regularly check these and update them. **We are sending home an extra book for the holidays.**
4. **We are sending home a mini book of high frequency words introduced this term, please learn 6 words at a time.**
5. Keep practising name writing using the school script and other letters.
6. Practise writing a rhyming string- cat- fat- rat. Give your child a starting word and ask them to write that word and then a list of ones that rhyme.
7. Practise number one and two digit numbers correctly, checking the formation and orientation of each digit.
8. Practise reading and writing phase 3 digraphs and trigraphs.
9. Practise finding all the ways to make 5/ 10 practically. Then write them as number sentences. Can you child remember some of the ways to make 5/ 10?
