

**Monday 27<sup>th</sup> June 2022**

It was lovely to see so many parents on Friday for the class assembly. We think you will agree the children all did a fantastic job!

Thank you to Arthur's mum Emma who works for Penguin, she came in last week and shared a story with the class, the children were able to join in with actions and had fun decorating a monster mask. They were all given a copy of the book 'We're going to find the monster!'

### **This week in Reception**

This week we are introducing our new topic 'All about minibeasts'.

The children will be writing lists of mini-beasts and writing about their favourite mini-beast. The focus will be on the children writing independently.

### **Maths**

1. Please practise reading and writing the high frequency words.
2. Practise reading and writing phase 3 digraphs and trigraphs
3. Sort books into story and information books. Do all information books have a contents page? Practise using the contents page.
4. Practise adding and taking away using objects or a number line up to 10/20 or beyond.
5. Practise counting in twos to 20 and tens to a hundred.

### **Action points**

Show and Tell- As each group only has one more turn before the end of the school year, there is no theme and the children can bring in anything to show. (It cannot be too large or too precious.) Your child needs to bring the item, which could be something they made or an item they have **and they need to write a sentence to explain why they chose to bring the particular item.** This Friday will be group 1's turn, next Friday 8<sup>th</sup> will be group 2 and group 3 will show on Friday 15<sup>th</sup>.

If you have any concerns please feel free to come and chat to one of us.
