

Monday 29th June

We are looking forward to seeing you all after last week's heatwave changes. Let's hope this week stays cooler.

This week in Reception

This week we are continuing our learning about rainforests and the animals that live there. We will be thinking about the following questions - Are the minibeasts the same or different? What other animals live there and where are the rainforests?

Phonic focus for this week

This week we will continue working on ccvc words. We will learn to read the high frequency words- called, asked, looked.

English and Topic

This week the children will be completing different independent writing activities linked to the rainforest including labelling diagrams and describing animals.

Maths

This week we will continue the White Rose unit 'Visualise, Build and Map'. We will be making our own maps using positional vocabulary. We will also re-cap addition, subtraction and number bonds.

What can you do at home?

1. Please practise reading and writing the high frequency words.
2. Practise reading and writing phase 3 digraphs and trigraphs
3. Please listen to/read with your child and make comments in the reading record. Please keep this in their book bags each day as we regularly check these and update them.
4. Practise adding and taking away using objects or a number line up to 10/20 or beyond.
5. Practise counting in twos to 20 and number bonds to 5/10.
6. Practise doubling numbers up to 10 and halving numbers by sharing objects practically.
7. Practise sentence writing. Find a picture of anything that interests your child in a magazine or on the internet and ask your child to write about it. Try to do this 2 or 3 times a week.
