Class News Monday 7th December 2020

Year 3

Our learning this week:

Maths – we will be focussing on estimating and measuring length using metres, centimetres and millimetres. We will look at calculating perimeter.

English – We will be looking at some poetry this week and the use of rhyme, alliteration and rhythm. We will write our own verses for a class poem.

Spellings – this week we will be practising words that follow this pattern: The /l/ sound spelt y elsewhere than at the end of words.

Foundation subjects – In science we looking at magnets and we will start with which metals are magnetic and move on to looking at the strength of different magnets. In RE we will be looking at the story of Christmas as part of our discussions about the meaning of Christmas for Christians. Our PE lessons are being provided by Mr Hawkes on Fridays and the Windsor Sports Partnership on Tuesday in our final Dance session. We will be looking at building the pyramids in History.

Homework this week:

Spellings: The /l/ sound spelt y elsewhere than at the end of words

Reading: Reading books will be sent home on Mondays and must be returned each Thursday unless they haven't finished them and want to keep them for a further week. If you are short of things to read I have set some books for every child on the Abacus website. There are quizzes to do alongside the books too.

TTRockstars: please complete at least the 20 Garage games set on the TTRockstars website.

Maths: This week there is an Abacus worksheet allocated to their page but I have also put it on the school on-going resources page.

Other items:

Healthy Minds: Unfortunately we won't be able to have our final session due to the filming of the Nativity next week and Christmas lunch the week after so the plastic bottles are no longer needed.

Clothes: Please could you check that the clothes your child wears to school are named, we have had several challenges over finding items of PE kit or jumpers and a quick name on the label with a Sharpie would really help!

Nativity

We are excited to be representing the Kings in the performance of the Nativity. We will be making appropriate hats at school but if your child had a piece of fabric or a scarf suitable to drape around our shoulders as a cloak then that would be wonderful. If they could be in school on Monday 7th December then that would be very helpful.

Do get in touch if I can be of any help in any way.

Mrs Emily Manners
