Class News Monday 7th December 2020

Year 3

Our learning this week:

Maths – we will complete our work on measuring and will do some Christmas themed problem solving.

English – We are going to complete our rhyming poems.

Spellings – this week we will be practising words ending with the /g/ sound spelt – gue and the /k/ sound spelt que (French in origin). I will be sending home the new colour challenge lists too.

Foundation subjects – In science we will do another investigation into the strength of different magnets. In RE we will be completing our topic of the meaning of Christmas for Christians. Our PE lessons are being provided by Mr Hawkes on Fridays and the Windsor Sports Partnership on Tuesday in our final Dance session. We will be looking at mummification in History. I have booked an online workshop with the Oriental Museum at the University of Durham for the afternoon of 18th January. The session is due to end at 3pm so we will be as quick as we can be to grab coats and bags at the end.

Homework this week:

Spellings: words ending with the /g/ sound spelt – gue and the /k/ sound spelt que (French in origin).

Reading: There are quite a few reading books not being returned on Thursdays, which is fine if they are not yet finished however please could you make sure they are all returned on Thursday this week so that we can reorganise the book boxes and assess what we currently have in stock.

TTRockstars: please complete at least the 20 Garage games set on the TTRockstars website. TTRockstars will still be available during the holidays for any bored moments!

Maths: This week there is a Christmas Jokes worksheet on the ongoing resources section of the school Class News page. There are 3 worksheets getting progressively harder. Choose the one that you think is most suitable for you and have a go at cracking the code.

Thank you for providing some excellent cloaks for the Kings to visit the stable in this week. I hope they came home and told you all about the day and the animals.

Books:

I received this update from one of my favourite book websites and thought I would share it with you. It contains some ideas for reading books for 7-9 year olds which you might be interested in with Christmas approaching! Recommendations for other age groups are also available on the website.
