## **Class News Monday 3rd May 2021**

### **Year 3**

#### **Royal Mail Stamp Competition**

**We are taking part in the Royal Mail competition which is to design a stamp to celebrate your Covid Hero. Entries will be sent off at the end of next week. Winners would need to take part in the subsequent publicity campaign so if you would rather that your child does not take part, please do email me and we won't send in their picture.**

#### **Our learning this week:**

**Maths** – We will continue to work on fractions. Our focus will be finding fractions of amounts and adding and subtracting fractions.

**English** – This week we will be converting a well-known traditional tale into a play script.

**Foundation subjects** – Our science lesson will look at how rocks are formed. In RE we are looking at how Sikhs share through 'seva' – service to others in the context of the Vaisakhi festival. Mr Murray will be here on Tuesday for another trombone lesson. In our computing lesson we will be continuing to learn to use spread sheets to add up sums of money. In Geography we will look at how volcanoes are formed. In Art we will be looking at collage and the artist Beatriz Milhazes as well as designing a stamp for the Royal Mail's latest competition to depict a Covid Hero.

### **Homework this week:**

**We will be focussing on spelling, reading and learning times tables for homework.**

**Spellings:** This week the spellings are to revise the suffixes –ly and ‘less or the alternative sound ‘ow’ for Mrs Doran’s groups. They will be tested on Friday.

**Reading:** Reading books will be provided on Monday and should be returned on Thursday mornings as we did last term.

**TTRockstars:** Please help them to complete this part of the homework. They need to play for a total of 30 minutes (15 games) during the week which runs from 8am on Tuesday until the following Tuesday morning.

Do get in touch if I can be of any help in any way.

Mrs Emily Manners
