## **Class News Monday 19<sup>th</sup> April 2021**

### **Year 3**

**Welcome back; I hope you have had a lovely Easter break despite the cold and wintry weather. I'm hoping the sun comes out soon and I can leave the winter coat at home!**

### **Our learning this week:**

**Maths** – After a little revision of addition and subtraction we will continue to work on fractions. Our main focus will be on finding fractions of amounts and equivalent fractions.

**English** – We are going to be looking at play scripts for a few weeks and will gradually build up to writing our own. This week we will look at examples and identify key features and do a little acting as well.

**Spellings** – words with the suffixes –ful, -ed and –ing.

**Foundation subjects** – We will start our new RE topic based on the importance of sharing in the Sikh faith. Mr Murray will be here on Tuesday for another trombone lesson. In our computing lesson we will be continuing to learn to use spread sheets. In Geography we will start looking at volcanoes and what is under our feet and this ties in with our science topic of Rocks and Soils. In Art we will be looking at collage.

### **Homework this week:**

**We will be focussing on spelling, reading and learning times tables for homework.**

**Spellings:** This week the spellings are to revise the suffixes –ful, -ed and -ing. They will be tested on Friday.

**Reading:** Reading books will be provided on Monday and should be returned on Thursday mornings as we did last term.

**TTRockstars:** Please help them to complete this part of the homework. They need to play for a total of 30 minutes (15 games) during the week which runs from 8am on Tuesday until the following Tuesday morning.

Do get in touch if I can be of any help in any way.
