## Class News Monday 14<sup>th</sup> June 2021

### Year 3

We would be very grateful if you could find a minute to label all uniform with your child's name. We are spending a lot of time trying to re-unite lost items with their correct owner and it is almost impossible! Even a laundry pen/biro/Sharpie name on the clothing label would help enormously. Many thanks.

### Homework this week:

**We will be focussing on spelling, reading and learning times tables for homework.**

### Spellings:

Cheetah and Lion groups: suffix adding -ous

Tiger group: -y ending

They will be tested on Friday.

**TTRockstars:** 30 minutes total completed as 15 x 2minute games. Try to do a few games every day as this greatly increases the likelihood of committing the facts to the long term memory.

**Reading:** New reading books will be provided on Monday and should be returned on Thursday mornings as before.

### Our learning this week:

**Maths** – We are going to look at statistics, recording data using frequency tables and creating pictograms and bar charts. We will be thinking of our own questions and how to record the data. We will also be using computers to create graphs.

**English** – We are continuing to look at the key features of persuasive writing. We are going to practise writing a persuasive leaflet and plan our entries to a Borough competition about School Streets.

**Foundation subjects** – Our science lessons will now focus on plant life cycles. In RE we will be continuing our Sikh studies and looking at the Divali story. Mr Murray will be here on Tuesday for another trombone lesson. In our computing lesson we will continue to look at internet safety. We are going to start our new History topic of Ancient Greece. In Art we will be completing our volcano collage and evaluating it. The Windsor Sports Partnership are providing tennis lessons for us this term; please make sure PE kits are in school every day.

Do send me an email if there is anything you need further information about.
