This week in Year 3

Monday 2nd March 2026

English:

In English, we are editing our adventure story to ensure all the key features are included in our writing and we will finish reading the story of 'The Hodgeheg'.

Maths:

In Maths, we are using flexible partitioning to help us divide and learning to divide with remainders.

Homework:

We have updated our homework policy, and continue to focus on reading and multiplication tables.

READING: We are asking that at least ten minutes every day (5 times at least) is spent reading your child's **school colour band book** which then needs to be written in and signed by a parent in their reading diary.

The children will read a leisure book (from the library) in school but must have their reading book and diary in school every day. The children are allowed to change their own reading book when needed, however it must have been **read at home and signed by an adult**. They are welcome to read their own books at home but must read their schoolbook in addition as golden points will be rewarded for schoolbooks only. You do not need to record any other reading in their diary except their schoolbook.

MATHS: 5-10 minutes times tables and number bond practice using TTrackstars and Numbots every day (3 times at least).

SPELLING: These will continue as usual and will be sent home on Mondays and tested the following Monday.

Spellings:

This week the focus is to learn the key Year 3 and Year 4 statutory words: guide*, island*, exercise*, favourite*, decide*, library*, height*, describe*, arrive*, surprise*. Please note these words need to be practised in a sentence to know spelling which word is needed.

They will be tested on this list of words on **Monday 9th March**. Children in our class are given different spellings so if they lose their list, please ask an adult from the Yr 3 team and we will happily provide you with a new list.

Other Matters:

- As we are on our school trip on Monday 2nd March this week's spelling test will take place on Wednesday 4th March. However the following weekly spellings will still be handed out on Monday 2nd March and tested the following Monday (9th March).
- PE days for Year 3 remain on a Friday. PE kits can be worn to school on those days. We continue to swim on Wednesdays for 3 more weeks.
- This week is 'Book Week' at Trinity where we will be doing lots of book related activities including a book swap and dressing up as our favourite book characters on Friday.
- Next week we look forward to Science week (week beginning 09.03.26)
- Thank you to the parents who helped support the Year 3 film night. It was a popular event and the children enjoyed the movie and popcorn. Well done 😊
