This week in Year 3

Monday 1st December 2025

English:

In English, we have been looking at similes and rhyming couplets and will continue to build on this before writing our own poems.

Maths:

In maths, we will be continuing to look at estimating to help us check our answers as well as building on more number bonds (compliments) to 10 or 100.

Homework:

Homework this week consists of one maths and one English worksheet. The English piece is a focus on similes to compare two nouns with the same adjective. The maths is a consolidation of estimating answers and compliments to 10 or 100.

Please allow time for reading; at least ten minutes every day (5 times at least) and 5-10 minutes times tables and number bond practice using TTrockstars and Numbots.

Reading diaries are collected in and checked on a Friday and golden points are awarded for children that have at least read 5x a week and had their diary signed.

Please feel free to read your own reading books at home. The school books are set at your child's level so please read those often but enjoy a range of genres and stories together as part of your daily routine.

Spellings:

This week the tricks/ patterns needed to help learn the words focus on understanding the prefix "re". The list of words to learn are; **reappear, redecorate, reapply, repay, rebuild, rewrite, refresh, replay, reread, reheat**

They will be tested on this list of words next **Monday 8th December**. Children in our class are given different spellings so if they lose their list, please ask an adult from the Yr 3 team and we will happily provide you with a new list.

Other Matters:

- Well done to all of Year 3 who attended the music festival at St George's Chapel last Tuesday. The children performed beautifully and were fantastic ambassadors for our school. I'm sure all those that attended felt proud of what the children achieved. Thank you to all those who were able to join us.
- Our Christingle service will take place this Friday (5th Dec) in the afternoon. Please read the information needed for this as it comes out.
- Coming home with your child on Friday (28th Nov), was the Christingle collection pots which was put in their homework folder if they had it in school or check in their bag if they didn't. Please donate what you can and return them to school by Friday.
- Please make sure your child is not bringing anything in they don't need. Some toys/ cards have been brought in to class which shouldn't be in school.
