This week in Year 3

Monday 11th May 2026

English:

In English, we will begin to look at the layout in which playscripts are written

Maths:

In Maths, we will finish working with fractions of an amount including non-unit fractions before starting our unit on shape with turns and angles.

Homework:

READING: We are asking that at least ten minutes every day (5 times at least) is spent reading your child's ***school colour band book*** which then needs to be written in and signed by a parent in their reading diary. The children will read a leisure book (from the library) in school but must have their reading book and diary in school every day. The children are allowed to change their own reading book when needed, however it must have been **read at home and signed by an adult**. They are welcome to read their own books at home but must read their schoolbook in addition as golden points will be rewarded for schoolbooks only. You do not need to record any other reading in their diary except their schoolbook.

MATHS: 5-10 minutes times tables and number bond practice using TTRockstars and Numbots every day (3 times at least).

SPELLING: These will continue as usual and will be sent home on Mondays and tested the following Monday.

Spellings: This week the focus is to identify and use words ending in /zhuh/ spelt sure: **treasure, measure, pleasure, enclosure, closure, leisure, exposure, pressure***, **composure, disclosure**. (*statutory words) They will be tested on this list of words on **Monday 18th May**. Children in our class are given different spellings so if they lose their list, please ask an adult from the Yr 3 team and we will happily provide you with a new list.

Other Matters:

- It was lovely to see so many parents at the sponsored run last Thursday and well done to those adults who did take part. What a fantastic morning and a great amount of money raised for our school projects.
- Mrs Avramovic sent out an email asking the children to bring in a piece of fabric (approx. the size of an A4 sheet of paper) from an old t-shirt/ pillowcase etc to help practise sewing. This needs to be brought in to school on Monday 1st June.
- The whole school will be involved in an Ising pop festival on Wednesday 20th May. Details for the event will be sent out nearer the time for any parents/ careers to attend the afternoon concert.
