This week in Year 3

Monday 16th September 2024

English:

This week we will be continuing with our unit on instructions. We will practise giving instructions and then we will look at some grammar aspects, prepositions and adverbs, and their role in making instructions clear and precise.

Maths:

We will continue to consolidate our Y2 learning on numbers to 100. We will focus on placing numbers on a number line and, learn and use the key fact that there are 10 tens in a hundred.

Later in the week, we will be comparing lengths and converting and finding equivalent measures from mm to cm or cm to mm.

Spellings:

The first spellings will be sent home this week on **Wednesday 18th September** with the first spellings being 10 Y3 non-negotiable spellings that every child should be secure with (could, would, many, which, how, like, also, before, after and next). The routine will be that spellings are sent home on **Wednesdays** and children are tested the following **Wednesday**.

Homework:

The first homework will be sent home this week on **Friday 20th September**. The routine will be that homework is sent out on **Friday** and needs to be returned to school by the following **Wednesday**. Homework will consist of an English activity, a Maths activity and Spellings.

Other Matters:

- Your children have settled in well and are familiar with all the new KS2 routines.
- Mrs Wakeman is looking forward to meeting as many of you as possible at the Y3 Welcome Meeting on Tuesday 17th September at 3.30pm
- Apologies for an error in last week's Class News. PE this half term is actually on Tuesdays and Fridays, not Mondays and Fridays as stated last week.
- We are hoping to begin our Pbone (plastic trombones) lessons on Friday. Please look out for the additional letter which will be sent out this week outlining further details. There will be a form which needs to be completed and returned so your child can take their instrument home.
